The Allendale Woman's Club (AWC) is an organization of women dedicated to rendering service to our community. Any woman living in Allendale (or within the 11th District) may seek membership. The AWC does not discriminate on the basis of age, race or religion. Each member is automatically a working member of the Membership Department and of the Community Improvement Program (CIP), and as such, is encouraged to recruit new members and assist with CIP projects. www.AllendaleWomansClub.org
